To
The Admission Committee,

I have known Mr. Karan while closely working with him as manager and CEO of the company named GigaTasking which serves in HORECA sector for more than 11 months dated 2nd Feb 2022 to 7th Jan 2023. From our association, I evaluate Karan to be an exceptionally knowledgeable and steadfast professional. It is my pleasure and privilege to recommend him for the graduate program at your university. Mr. Karan worked under my guidance in numerous projects and from my personal observation, I have experienced that he is diversely knowledgeable, exception team worker and eloquent speaker. Under my supervision, Karan had worked in extraction of data, transforming data as per requirement and load the transformed data. He worked on google cloud platform, AWS application, MS Excel, SQL queries and participate in meetings with clients. Mr. Karan's understanding of data is extremely good and as the time goes by his work also get exceptionally better. Mr. Karan have also mentored 2 other employees in his serving period and distributed work accordingly under my guidance. I also observe that Mr. Karan is quite punctual whether it is meeting with client or adhering project's deadlines.

I highly believe that Mr. Karan will be a resourceful asset for any organization/institution and his dedication will help him toward reaching his objectives. Mr. Karan is quite passionate about learning new skill and apply them in practical way. He had talked about his goal about pursuing coursework for post-graduation and how it going to impact his life. I highly recommend Mr. Karan to be part of your prestigious university. Please feel free to contact if any other information required.
